

Celebrate the PossAbilities

Sponsorship and Vendor Opportunities for the 2027 PossAbilities Expo

Since 2018, the PossAbilities Expo has grown from a small community event, originally known as the Special Needs Expo, into one of the region's largest gatherings dedicated to individuals with disabilities, their families, and the organizations that support them. What began as a single event has continued to grow each year, bringing together families, professionals, businesses, and community partners from across the BRADD area and beyond.

The PossAbilities Expo is more than a day of resources. It is a place where families discover possibilities, organizations connect, knowledge is shared, and individuals are celebrated for their strengths, talents, and contributions. Through education, recreation, meaningful connections, and accessible experiences, the Expo creates a welcoming environment where everyone can feel included, supported, and empowered.

The impact continues to grow. In 2026, nearly 2,000 people attended the PossAbilities Expo, demonstrating the growing need for connection, information, and inclusive opportunities throughout our region.

We invite you to be part of it, to connect with families, champion inclusion, share your resources, and help create an experience that opens doors, changes perspectives, and reminds every individual that their possibilities are limitless.

Sincerely,

PossAbilities Expo Board of Directors
