

Celebrate the PossAbilities

Sponsorship and Vendor Opportunities for the 2026 PossAbilities Expo

The PossAbilities Expo has been a cornerstone of our community since 2018, when it began as the Special Needs Expo. What started as a single event has grown into a powerful celebration of individuals with different abilities across the BRADD area and beyond.

This event is about more than resources. The PossAbilities Expo creates a welcoming space for individuals, families, and organizations to come together, share knowledge, build relationships, and feel seen and supported. Guided by our mission to provide information, inspire hope, and empower families, the Expo blends education, fun, and meaningful support into one unforgettable experience.

As a trusted organization in our community, your involvement helps shine a light on the importance of recognizing individuals with different abilities, not just for their needs, but for their strengths, talents, and contributions. Events like this foster awareness, education, and encouragement, creating ripple effects that extend far beyond a single day.

In 2025, the PossAbilities Expo welcomed over 2,000 attendees, demonstrating the growing impact and reach of this event. Our next Expo will take place on July 18, 2026. We invite you to be part of something truly special, an event that changes perspectives, strengthens our community, and reminds every individual that they belong.

Sincerely,

PossAbilities Expo Board of Directors
