

PossAbilities EXPO 2022

RESOURCE GUIDE

RESOURCES FOR THE BRADD AREA + BEYOND

© 2022 PossAbilities Expo

This guide is a publication of the PossAbilities Expo.

The PossAbilities Expo Resource Guide is updated yearly.
Please visit PossAbilitiesExpo.org for the most up-to-date guide.

The PossAbilities Expo was created through the passion and vision of a committee dedicated to serving people with disabilities and their families throughout our community.

Our goal in hosting this event is three-fold.

PROVIDE INFORMATION

With the many resources available to families, it is possible that there are some services that families are unaware of. We want to offer an event where families can learn new things about the community and what we have to offer children with special needs. We want to provide a fun atmosphere where children and families can speak face-to-face with various agencies that may be able to meet their needs. We envision an event that is characterized by cooperation, not competition so families see that we are working together to provide the best services possible for their children.

INSPIRE HOPE

We want to inspire hope for families through each phase of life by helping them see that they are not alone, and that not only can they survive challenges facing their families, but that they can thrive.

EMPOWER FAMILIES

By providing information and inspiring hope, we want to empower families to make the best choices for themselves and their children. We want them to be confident in their ability to plan for their future and provide the best care for their children.

P.I.E. – Hence, the piece of  in our logo.

We provide upper and lower limb prosthetic by designing the appropriate prosthesis for the individual patient in a collaborative effort between the patient, prosthetist, physician, and often physical therapist. We provide orthotic solutions with the objective of orthotic treatments which include providing support and stability; preventing and/or correcting deformities; providing joint alignment; and improving function and/or gait. We also provide spinal, cranial and diabetic foot care. Our goal is to create awareness for our patients, becoming an integral part of the communities we serve. Our values are to inspire and to improve peoples' lives through competent and compassionate patient care.

Brad Watson, BOCPO

Certified Prosthetist & Orthotist

Brad is certified in Prosthetics and Orthotics from both BOC and ABC, and is licensed in Kentucky and Tennessee and has been serving in those communities for over 30 years. Brad is a second generation practitioner, whose father introduced him to the profession early on in his teenage years. He is currently Past Board Chair of BOC and has been serving on the board for 11 years and filled various roles. He is also on the KY State Licensure Board as Vice Chair.

Kasey Turner, COF

Certified Orthotic Fitter

Kasey is a Licensed, Certified Orthotic Fitter. She attended Southcentral Kentucky Community & Technical College, where she graduated with a Diploma in Surgical Technology. She worked several years, alongside with local Ortho and Neuro physicians in surgery. Kasey then decided to pursue a career in O&P, to provide patient care in a more relaxed setting. She has been certified since 2011.

In 1937, G.Y. Graves and J.T. Gilbert forged an unlikely partnership and embarked on a journey the outcome of which no one could have predicted. By 1941, Bowling Green's first multi-specialty group was formed and, by 1969, the clinic housed 15 of the city's 37 total physicians.

Today, Graves Gilbert Clinic houses more than 200 providers, representing 30 medical specialties, who continue to lead the way in medical innovation and technology, and serve South Central Kentucky with the same level of care and dedication that their founding fathers promised over 80 years ago when Dr. Graves and Dr. Gilbert shook hands and made a commitment to the future: A commitment to a Lifetime of Care.

Kiwanis®

BOWLING GREEN, KY

Our club has been continuously active since it was chartered on July 24, 1923, and currently consists of over 100 members. We're known for our support of and service to many local community and children's organizations. Our weekly meetings feature entertaining and informative programs, fellowship, and fun – all of which are important to the members of Kiwanis. In Bowling Green, Kiwanis is responsible for two major community, family, and youth-oriented projects. Thunderfest is our annual Independence Day celebration, going strong since 1972. In 1998, Kiwanis hosted the first BB&T All-American Soap Box Derby, which has become an annual tradition and has led to several rally races each year in BG.

Kiwanis International also sponsors Service Leadership Programs, such as our local Aktion Club, Circle K Club, Key Clubs, Builders Club, and K-Kids Clubs. Kiwanians are also raising \$110 Million to end maternal and neonatal tetanus worldwide through The Eliminate Project, a partnership with UNICEF.

Locations and Outpatient Centers Throughout Kentucky

NORTON Children's

Norton's Outpatient Center - Bowling Green
720 2nd Avenue - Commonwealth Medical Plaza Suite 102

For more than a century, Norton Children's Hospital and its predecessor hospitals have cared for the children of Kentucky and Southern Indiana without regard to their families' ability to pay. Norton Children's Hospital is Kentucky's only full-service, free-standing pediatric care facility dedicated exclusively to caring for children and is an advocate for the health and well-being of all children. The 300-bed hospital serves as the primary pediatric teaching facility for the University of Louisville School of Medicine.

As the need for expert pediatric care has grown in our region, so has the footprint of Norton Children's Hospital and the specialized care we provide. Our medical facilities currently serve more than 170,000 patients each year.

Norton Children's Outpatient Center Bowling Green allows us to treat children in their own community so families can be close to home while receiving specialized pediatric care. The area of specialized pediatric care include: Maternal-Fetal Medicine, Child Neurology, Epilepsy Center, Neonatal Follow-Up Clinic, Pediatric Cardiology, and Pediatric Eye Specialists.
